AAC Vocabulary for Educational Participation: Meeting the Challenge

Workshop Session: W33

Sunday, June 29 from **3:15 - 4:30pm**.

Presented by: Bruce R. Baker, L.H.D., Adjunct Assoc Prof, Univ. of Pittsburgh and Annalee Anderson, M.S., CCC-SLP, Manager, Clinical Programs, Prentke Romich Company (PRC).

Endless programming of customized educational vocabulary not only requires extensive manpower, but may additionally result in an AAC device that has evolved into a compendium of pages of vocabulary with little application to communication. An alternative approach will be delineated that utilizes high frequency vocabulary for educational participation.
