

Unity® 128 Version Semantic Dictionary

How to use this dictionary – the words in Unity® 128 version are programmed using particular patterns or paradigms.

Words that Change (Open-Class Words/ verbs, adjectives, some adverbs & nouns) have specific patterns:

Each icon has a ‘family of ideas’ associated with it. To explore the idea and the vocabulary, choose an icon, use icon prediction (follow the lights) and discover the words. For instance,

begin with  , choose it and then verb, or adjective, or noun and see what words are programmed. Then, choose   and any lit icons will say particular ‘fruit’ words,   and any lit icons will say Mexican food, etc.

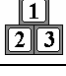

Remember....Category Icon + Sub-Category Icon + Word Icon.....**Have fun!**
