

PRC PAID RENTAL CONTRACT

With increasing numbers and varieties of technical aids on the market, it can be difficult to make the best selection based on literature alone. PRC and its network of Regional Consultants feel that it is very important to potential consumers and professionals to have an opportunity to work directly with PRC products before making a final decision.

PRC's Trial Evaluation Policy is as follows:

1. Only those products of which there is adequate inventory will be available for evaluation. Products that are just being introduced, which are temporarily out of stock, or which are being discontinued may not be available.
2. We strongly urge you to request training on rental devices, PRIOR to beginning your trial period. We cannot extend trial periods at no charge for training issues. If training is not requested prior to receipt of a device; training may not be available during the rental period. If you need training, make an appointment with the Seminar Registration Desk at (800) 848-8008, or visit our web-site for a schedule of our on-line trainings prior to receiving your device.
3. Equipment is available for evaluation for one (1) to four (4) weeks. If equipment is not returned at the end of the evaluation period, it will be assumed that purchase is desired. You will then be billed for full list price. Non-return of equipment may also result in suspension of future shipments and/or service assistance.

Printed Name: _____, Initials: _____, Date: _____

4. All of the standard components with which the item is sold will be included for use during your trial period. The trial evaluation device includes Unity® and PCS symbols. Additional language programs are available upon request and PCS symbols are an added feature, purchased separately at the time of sale. Optional accessories may be available and must be requested separately. Most accessories are available without any additional cost.
5. At the end of your evaluation period, you may purchase the equipment used during that period. If you purchase the equipment in your possession, 100% of the payment for the trial evaluation period* and 50% of the shipping cost may apply toward that purchase. In addition, PRC will offer you a 5% discount off the list price.
6. New units can be purchased and will be shipped, based on current lead times, upon the return of the evaluation device. If a new unit is purchased within 90 days of the end of the trial evaluation period, 100% of the payment for the trial evaluation period* may apply toward that purchase, however, none of the shipping will apply.
7. If a funding source such as insurance pays less than full list price, the evaluation payments will be applied toward the remaining amount due.
8. A signed **Paid Rental Contract is required and payment must be guaranteed prior to shipping. Payment can be in the form of a purchase order, check, Visa, MasterCard, Discover, American Express or COD (COD is not available in all areas).
9. When the signature of a private individual secures the contract their social security number and credit card number are required. The credit card will only be charged if the customer designates it as the method of payment for the evaluation, other funding attempts are unsuccessful, or the equipment is not returned. When the signature is a representative of a facility or business, a Federal Identification number or EIN# is required.
10. Shipping charges are additional and cover shipping **both ways**.
11. Damage, loss, or theft of an evaluation unit is the responsibility of the undersigned individual or, in the case of a representative, to the entity represented.

Printed Name: _____, Initials: _____, Date: _____

Representing: _____ Individual/entity name

If you have any questions about this policy, contact your Regional Consultant or PRC's Sales Office. Note: PRC is bound to the rules and regulations of the state in which this contract is executed.
