

LAMP Words for Life App for iPad: Overview, Features and Teaching Strategies – 5 hour

Wednesday, April 18, 2018

8:30am to 2:30pm

Cost: \$89

Presented by: Beth Browning, M.A., CCC-SLP
Location: Muncie Area Career Center, Muncie, IN

Through demonstration and presentation, participants will learn about the vocabulary options and features of the LAMP Words for Life application for the iPad.

The foundations of the LAMP approach will be briefly reviewed as well as the principals behind the development of the LAMP Words for Life application. Participants will practice saying single words, phrases and short sentences in the 1-hit, Transition and Full levels. In addition, participants will learn how to get started and program/customize the application as well as use the features of word finder and Vocabulary Builder.

This training is intended for individuals who have already purchased the application or are interested in learning more about the application.
