

# PRC-Salttillo Connections for November 2023

Looking for more resources and materials to implement with your AAC learner? We've got just the thing for you!

The 2023 PRC-Salttillo Calendar is all about the expressive arts; the 2023 PRC-Salttillo Literacy Planner is all about food! In this handout, you will find an activity that supports both the Calendar and the Literacy planner. Included are suggested core words to use while completing the activity and links to other resources to continue the fun!

## Connection Activity

## Family Fun

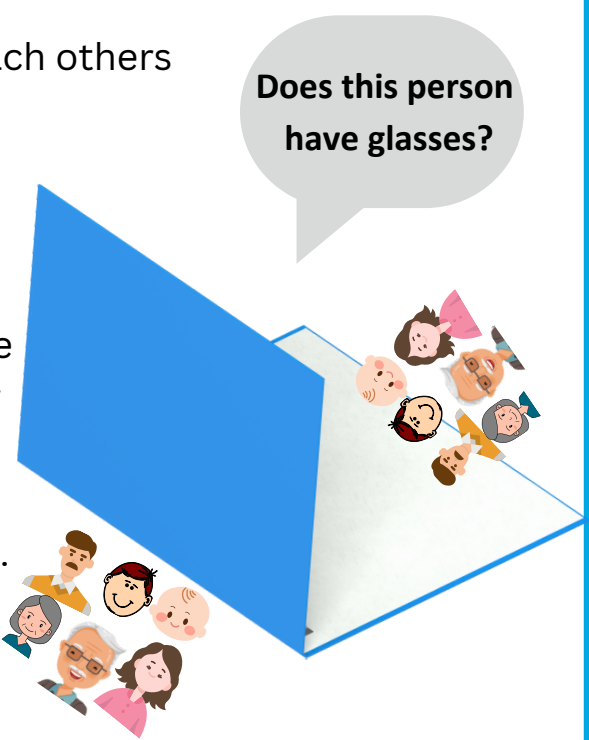

Many families will spend time together this month. Playing this fun game using family photos can help friends and family make connections. This game is for 2 players or 2 teams.

You will need:

- printed photos of each player
- a barrier to prevent players from seeing each others photo cards (stiff cardboard, file folder)

To play:

1. Print two clear headshot style photos of each player.
2. Create the barrier and place photos in the same location on both sides of the barrier
3. Player (team) 1 secretly selects a person and answers with “yes” or “no” as player (team) 2 starts asks questions about them. Take turns guessing.
4. The game is over when either player/team guesses the mystery person or there are no more guesses to be made.

Does this person  
have glasses?
