

LAMP Words For Life 84 Full

Core Word Activity of the Month

There are many holidays in December that are celebrated with gift-giving. This is a perfect time to teach words like “please” and “thank you” as well as pronouns, prepositions and action words. Include the AAC communicator in wrapping gifts by letting him/her choose the paper and tell others the steps needed to wrap the gift. As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. By using a variety of words to comment, describe, direct and request, we teach language in a natural context. Try using these words to model language as you exchange gifts this holiday season.
