LAMP Words For Life 84 1-Hit Core Word Activity - Water Play

Cool off this month with water play. Use a water-safe low tech manual board to keep the conversation going in the pool. Put your words on a kick board, towel, blanket, or laminated poster/manual board.

As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. Look for opportunities to teach and model these words while cooling off with water this month.
