Unity 84 Sequenced Camping Puzzle Cards

Use these puzzle cards to practice saying the words for this month's camping activity. Print on card stock for sturdier puzzle pieces and laminate them. After you put each word together, say it with the speech-generating device. Once you put all of the words together make simple phrases with them.

A large puzzle grid with three rows and two columns. The top row contains a bridge icon on the left and a house icon with the word "inside" above it on the right. The middle row contains the same bridge icon on the left and a smiling sun icon with the word "outside" above it on the right. The bottom row is divided into three sections: a campfire icon on the left, a tent with a fire icon labeled "CAMP" in the middle, and a tent icon labeled "tent" on the right. Curved arrows point from the top row to the middle row, and from the middle row to the bottom row.
