Use these puzzle cards to practice saying the words for this month's How to Make a Monster activity. Cut out each set and put them together. Print on card stock for sturdier puzzle pieces and laminate them. After you put each word together, say it on the speech-generating device. Once you put all of the words together, make simple phrases with them.

### LAMP WFL 84 Full How to Make a Monster Puzzle Cards

Three rows of puzzle cards for the 'How to Make a Monster' activity. Each row contains two cards. The left card in each row is identical and features the word 'off' at the top, with illustrations of two eyes, a red mouth, and two hands below. The right card in each row features a different body part: 'mouth' (a mouth), 'arm' (an arm), and 'eye' (an eye). A large black arrow on the left side of each row points from the 'off' card to the body part card, indicating that the word 'off' is used to remove that part from the monster.
