Core Word Activity - Monster Toast

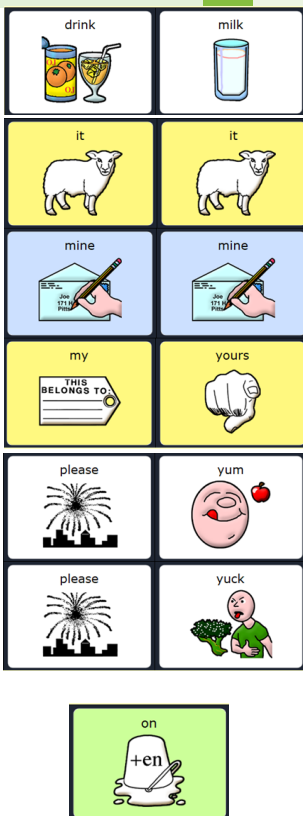

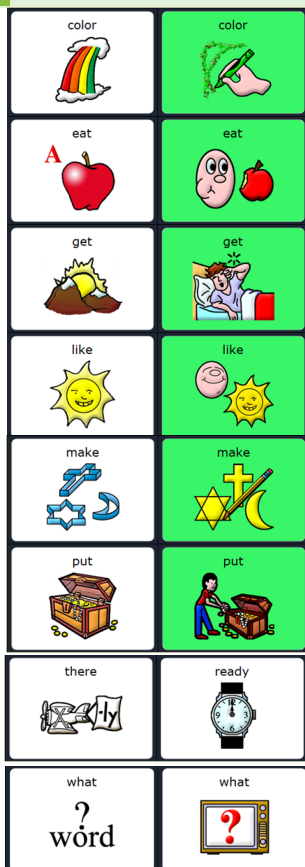

Make monster toast for Halloween this month. All you need is bread, milk, and food coloring. Pour a small amount of milk into four containers and add blue, red, yellow, and green food coloring into each to make your "paint." Use new brushes to "paint" a monster face on your toast.

As the communication partner, whether you are a family member, teacher, therapist or friend, use these words as you talk to model where they are located and how powerful they can be. Look for opportunities to teach and model these words while making and eating your monster toast this month.
